Cow!"

## Smiling Hill Farm History

The Knight family of Smiling Hill Farm has been farming in Maine since the 1600's. Smiling Hill Farm is a working farm of purebred black & white Holstein, Jersey and Ayrshire dairy cows producing fresh natural milk in the quality tradition of Maine. The 500-acre farm includes rolling hayfields and deep forests traversed with trails as old as the farm itself. The centuries old tasks of animal husbandry are performed daily with milking, haying, feeding and caring of the livestock on this historic farm. Smiling Hill Farm is dedicated to teaching each new generation the important role animals and agriculture have in our lives.

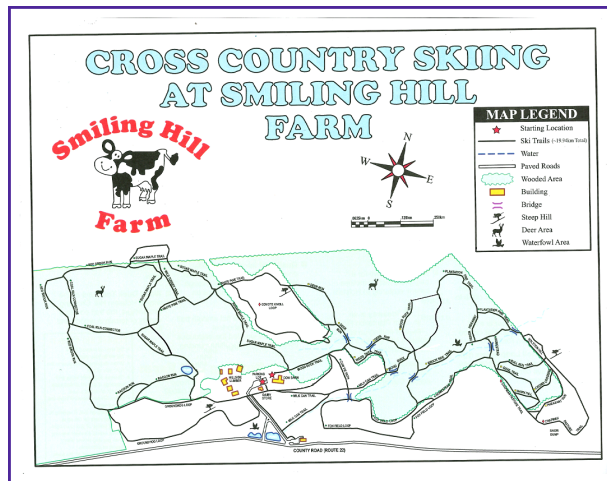

## Winter Kids

Smiling Hill Farm has partnered with Winter Kids for many seasons. Our goal is to get kids active in the winter months. By signing up for their app, you receive discounts on many winter activities, including skiing or snowshoeing here at Smiling Hill Farm. Sign up today! For more information visit: [www.winterkids.org](http://www.winterkids.org)

## 25km of Trails

Our over 25 km of trails encompass some very challenging terrain. There are steep drops at "Holstein Hill", gently rolling fields and old winding logging roads. There are plenty of trails to choose from regardless of your level of expertise. Trails are groomed for classical skiing with tracks. Please call ahead for the latest conditions or check [smilinghill-farm.wixsite.com/xcskicenter](http://smilinghill-farm.wixsite.com/xcskicenter). Snowshoers use the same trails as skiers, we just ask that snowshoeing is off to the side rather than in the tracked lanes.

## Rental Shop

Our fully equipped rental shop has over one hundred modern ski packages available. Smiling Hill Farm has Rossignol cross country ski packages available and offers traditional Nordic touring skis. Lightweight snowshoes are also available for rental and allow exploration of areas of the farm not reached by trails. We do require a deposit (credit card, license or keys) to be left while rentals are being used.

## Ice Cream Barn & Lunch Cafe

The Smiling Hill Farm Ice Cream Barn/Dairy Store is a great place to have lunch & stock up on all of our dairy products. Our hot beverages will take the chill off. We offer a complete selection of our glass bottled flavored milks, our batch churned ice cream, our cage-free eggs and ALL the award winning Silvery Moon Creamery Cheeses.

*Warm, comfortable Rossignol boots with NNN II bindings make XC skiing easier & more pleasurable.*
